Freshman and transfer applicants should have their official ACT or SAT scores sent to Mississippi State University. We encourage that these test scores come directly from ACT or SAT. MSU's ACT code is 2220; the SAT code is 1480. (The writing test of the SAT or ACT is not considered for admission or scholarship awarding purposes.) Freshman applicants also should have their high school submit an official six-semester high school transcript (through the junior year) to include high school grade-point average and courses scheduled for the senior year. Transfer applicants should have official transcripts of all high school and college-level work sent directly from that high school and college to the Office of Admissions and Scholarships, P.O. Box 6334, Mississippi State, MS 39762-6334.

Separate transcripts are required from each college or university attended. Faxed transcripts will not be accepted.

The following information that Mississippi State University is required to provide by federal law may now be found at the Web address below:

All MSU students are responsible for knowing and abiding by these policies.
